

Threatened and Endemic Orchid Species in Meghalaya

| Sl. No. | Species | Status |
|---------|---------------------------------------|---------------------------|
| 1. | <i>Anoectochilus grandiflorus</i> | Rare |
| 2. | <i>Aphyllorchis vaginata</i> | Endemic and Indeterminate |
| 3. | <i>Arachnanthe cathcartii</i> | Rare |
| 4. | <i>Arachnis clarkei</i> | Indeterminate |
| 5. | <i>Arundina graminifolia</i> | Rare |
| 6. | <i>Bulbophyllum candidum var geei</i> | Rare |
| 7. | <i>Bulbophyllum confertum</i> | Endemic and Rare |
| 8. | <i>Bulbophyllum griffithii</i> | Endemic and Rare |
| 9. | <i>Bulbophyllum leptanthum</i> | Endemic and Rare |
| 10. | <i>Bulbophyllum moniliforme</i> | Extremely rare |
| 11. | <i>Calanthe alismaefolia</i> | Indeterminate |
| 12. | <i>Calanthe anthropophora</i> | Endangered |
| 13. | <i>Calanthe manii</i> | Rare |
| 14. | <i>Ceratostylis teres</i> | Rare |
| 15. | <i>Cheirostylis pusilla</i> | Extremely rare |
| 16. | <i>Cleisostoma paniculata</i> | Rare |
| 17. | <i>Coelogyne barbata</i> | Indeterminate |
| 18. | <i>Coelogyne cristata</i> | Indeterminate |
| 19. | <i>Coelogyne flaccida</i> | Indeterminate |
| 20. | <i>Coelogyne nitida</i> | Indeterminate |
| 21. | <i>Coelogyne prolifera</i> | Indeterminate |
| 22. | <i>Coelogyne purpurea</i> | Endemic |
| 23. | <i>Coelogyne viscosa</i> | Endemic |
| 24. | <i>Corybas purpureus</i> | Endemic and Rare |
| 25. | <i>Cymbidium aloifolium</i> | Endemic |
| 26. | <i>Cymbidium cochleare</i> | Rare |
| 27. | <i>Cymbidium eburneum</i> | Endemic and Vulnerable |
| 28. | <i>Cymbidium giganteum</i> | Rare |
| 29. | <i>Cymbidium grandiflorum</i> | Rare |
| 30. | <i>Cymbidium mastersii</i> | Endemic |
| 31. | <i>Dendrobium densiflorum</i> | Rare |
| 32. | <i>Dendrobium devonianum</i> | Rare |
| 33. | <i>Dendrobium falconeri</i> | Rare |
| 34. | <i>Dendrobium fugax</i> | Endangered |
| 35. | <i>Dendrobium nobile</i> | Endangered |
| 36. | <i>Dendrobium wardianum</i> | Rare |
| 37. | <i>Dendrobium williamsonii</i> | Endangered |
| 38. | <i>Diplomeris pulchella</i> | Endemic and Vulnerable |
| 39. | <i>Epipogium roseum</i> | Rare |
| 40. | <i>Eria clavicaulis</i> | Rare |
| 41. | <i>Eria ferruginea</i> | Endemic and Rare |
| 42. | <i>Eria pusilla</i> | Endemic |
| 43. | <i>Eria tomentosa</i> | Endemic |
| 44. | <i>Eriodes barbata</i> | Rare |
| 45. | <i>Galeola falconeri</i> | Rare |

| | | |
|-----|-----------------------------------|---------------------------|
| 46. | <i>Galeola lindleyana</i> | Indeterminate |
| 47. | <i>Gastrochilus calceolaris</i> | Critically Endangered |
| 48. | <i>Gastrodia exilis</i> | Endemic and Indeterminate |
| 49. | <i>Goodyera recurva</i> | Endemic and Indeterminate |
| 50. | <i>Goodyera robusta</i> | Endemic |
| 51. | <i>Habenaria concinna</i> | Endemic |
| 52. | <i>Habenaria furfuraceae</i> | Endemic |
| 53. | <i>Habenaria khasiana</i> | Endemic |
| 54. | <i>Habenaria malleifera</i> | Endemic |
| 55. | <i>Habenaria trifurcata</i> | Endemic |
| 56. | <i>Liparis acuminata</i> | Endemic |
| 57. | <i>Liparis deliculata</i> | Rare |
| 58. | <i>Liparis pulchella</i> | Indeterminate |
| 59. | <i>Liparis torta</i> | Endemic |
| 60. | <i>Liparis vestita</i> | Rare |
| 61. | <i>Luisia volucris</i> | Rare |
| 62. | <i>Lusia inconspicua</i> | Endemic |
| 63. | <i>Micropera mannii</i> | Endemic |
| 64. | <i>Nephelaphyllum cordifolium</i> | Rare |
| 65. | <i>Pantlingia serrata</i> | Endemic and Rare |
| 66. | <i>Paphiopedilum hirsutissum</i> | Rare |
| 67. | <i>Paphiopedilum insigne</i> | Vulnerable |
| 68. | <i>Paphiopedilum venustum</i> | Vulnerable |
| 69. | <i>Pennilabium proboscidium</i> | Endemic |
| 70. | <i>Peristylis manni</i> | Endemic and Rare |
| 71. | <i>Phaius flavus</i> | Endemic |
| 72. | <i>Phaius mishmensis</i> | Indeterminate |
| 73. | <i>Phaius tankervilleae</i> | Rare |
| 74. | <i>Pholidota calceata</i> | Indeterminate |
| 75. | <i>Phyllomphax obcordata</i> | Endemic |
| 76. | <i>Pleione lagenaria</i> | Extinct |
| 77. | <i>Pleione maculata</i> | Endangered |
| 78. | <i>Pleione praecox</i> | Rare |
| 79. | <i>Podochilus cultratus</i> | Rare |
| 80. | <i>Saccolabium distichum</i> | Rare |
| 81. | <i>Sarcochilus mannii</i> | Endemic |
| 82. | <i>Taeniophyllum khasianum</i> | Endemic |
| 83. | <i>Tainia khasiana</i> | Rare |
| 84. | <i>Tainia minor</i> | Rare |
| 85. | <i>Thelasis bifolia</i> | Rare |
| 86. | <i>Thelasis khasiana</i> | Endemic |
| 87. | <i>Thelasis pygmaea</i> | Endemic |
| 88. | <i>Thrixspernum muscaeflorum</i> | Endemic |
| 89. | <i>Trias pusilla</i> | Endemic |
| 90. | <i>Tropidia angulosa</i> | Rare |
| 91. | <i>Vanda coerulea</i> | Rare |
| 92. | <i>Zeuxine pulchra</i> | Endangered |
