

PBRs UNDER PREPARATION

The Board has engaged three expert organisations viz. IBRAD (Institute of Bio-resources and Development), Kolkata, ENDEV (Society for Environment & Development), Kolkata and NEHU (North Eastern Hill University), Shillong for the preparation PBR (Peoples Biodiversity Register) covering Gram Sevak Circles, in a scientific manner, on behalf of the BMCs. Local people are working under their expertise which in turn will build local capacity to carry out similar tasks. Presently, 30 PBRs are under preparation. These PBRs record the available biodiversity with status and use and associated traditional knowledge.
